

Advertising Information-Deadline Feb.4, 2022

This year, Florida is holding its 11th annual state festival! We have a history of successful festivals and this year will be no exception with Stephanie Rhoades as our clinician. We hope many of you in the Handbell Industry Council and other business or concert organizations will join in supporting this event by placing an advertisement in our festival booklet. Remember that many of our participants are Florida "snowbirds" who come from all over our nation, and often carry your message, via this booklet,

All submissions for publication should be "camera-ready" images, actual business cards, or clean copies that may be scanned and resized as needed. The Back and Inner Back pages are first come, first served and must be full pages.
